

**DE LA SALLE SCHOOL
ST HELENS
YEAR 11 – HEALTH AND SOCIAL CARE
Half Term 5**

This half term I am learning:

Completing controlled Assessment for assignments 1 & 2

- I am doing the final improvements/EBI's to improve certain sections of the portfolio of work. This can boost my score and therefore my overall grade
- There are 15 sections I need to complete
- This is worth 60% of my GCSE

Doing Exam practice for the UNIT 1 exam on 12th June

- I am focusing on particular questions and using past mark schemes to enhance my learning of the topics I may get asked about
- I will have the opportunity to go over my mock exams and learn from my mistakes
- I will do a number of past papers to get maximum practice and increase my chances of success in the real exam
- This is worth 40% of my GCSE

By the end of this half term I will:

Have completed the two assignments for the controlled assessment.

Assignment 1-OUTCOMES

- I will have identified the needs of a chosen client
- I will have described how services are organised in the U.K.
- I will have described the services my client uses
- I have been able to link services & describe partnerships that exist
- I can say how my client obtains appointments (Referrals)
- I have described any barriers my client has come across
- I have evaluated the services my client has received

Assignment 2-OUTCOMES

- I will have described the roles of 3 different care works
- I will have explained the skills that these 3 care workers possess (including communication)
- I will have linked the 7 care values to the actual codes of practice that they follow in real life

Key Terms I will learn this half term:

- Care worker
- Communication skills
- Verbal
- Non verbal
- Written skills
- Care value base
- Code of practice
- Service provider
- Barriers
- Referrals
- Evaluation
- Interpretation
