

Sponsorship

Would you be interested in helping support one of our school sports teams?

There are two levels of support and a wide range of teams:

- **Helping hand (£20)** – money goes towards fixture costs / transport / equipment etc. Recognition in the school newsletter.
- **Full Sponsorship (£300)** – contributes towards a new kit (includes company name on kit), social media recognition, school newsletter

If you would like to give a 'helping hand' or better still, sponsor a team, please complete the form below, along with the Declaration of Interests Form, and return it to Carolyn Warburton, Business Manager, De La Salle School, Mill Brow, St Helens WA10 4QH.

Your contribution is greatly appreciated and will go a long way to helping our students to access more fixtures and sporting opportunities.

Explanatory Notes

Public bodies, including schools, have a legal duty to collect information about any interests of their staff, governors and financial supporters where such interests may lead to a direct pecuniary benefit to the individual. The school is required to maintain a register of such interests which is open to inspection by authorised persons (eg Ofsted, Internal Audit).

This does not prevent the school from engaging the services of a company which offers financial support, as the strict procurement process which is followed ensures that value for money is achieved. This form supports the legal procurement process followed by public bodies.
