

National Careers Week 2023

Monday

Wednesday

Tuesday

Thursday

Monday

CAREERS EDUCATION VIDEO
LOOKING AT THE REALITY OF
THE FUTURE OF CAREERS IN
THE UK AND WORLDWIDE.

**THE FUTURE
OF CAREERS**

CREATED BY
MYPATH

Tuesday

Scavenger hunt – in your form group can you complete the grid?

Someone who knows a photographer	Someone who knows an engineer	Someone who knows a Member of Parliament
Someone who's favourite subject is the same as yours	Someone who knows a mechanic	Someone who has a family member in the transport industry
Someone who has the same hobby as you	Someone who wants to work in medicine when they leave school	Someone who knows a computer programmer
Someone who has a family member who works for emergency services	Someone who knows a builder	Someone who travels to school the same way as you

Wednesday

'Career'
describes our
journey
through life,
learning and
work.

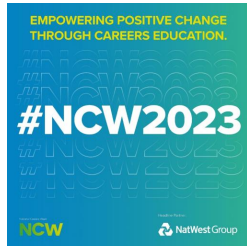

What is National Careers Week?

- It's a chance to focus on careers guidance and education
- It helps you to understand, realise and fulfill your career goals
- It helps you to feel confident about the future and focused on what you need to do now

How do you
feel when you
think about
your future?

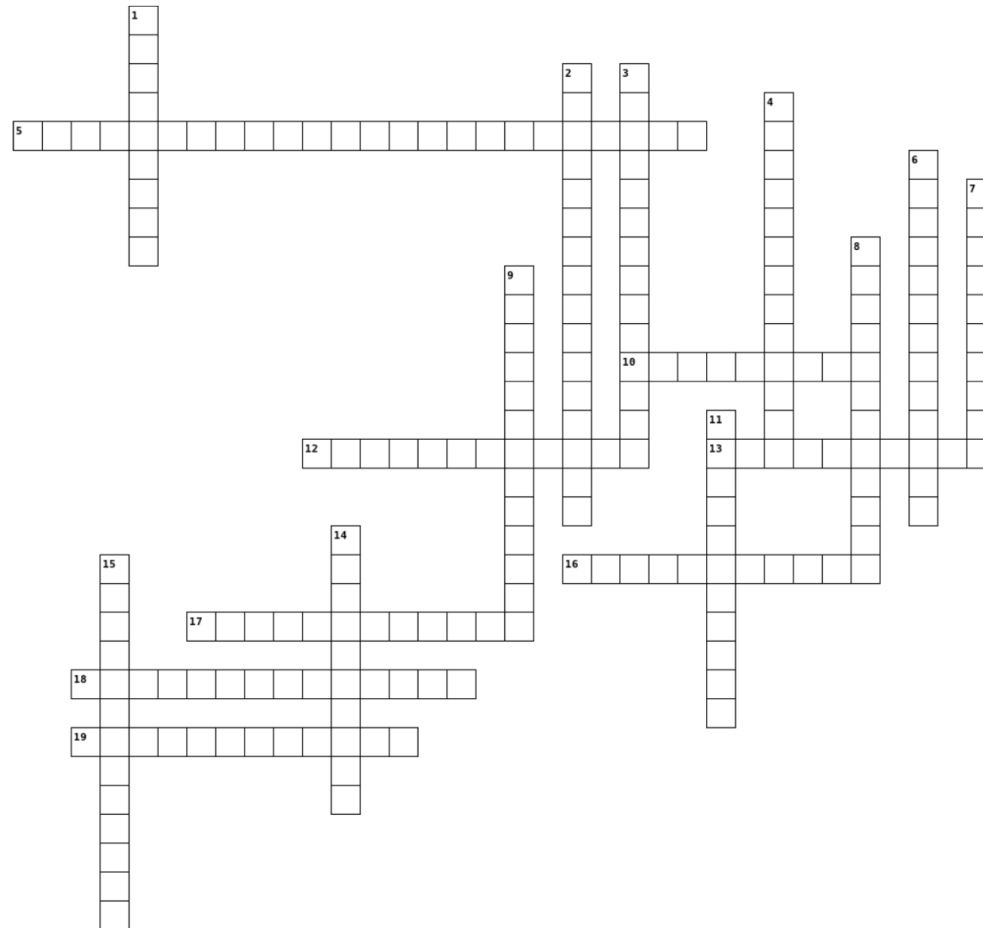

Thursday – there's an ologist for that!

Across

- 5 Scientist concerned with the biological and behavioral aspects of human beings
- 10 Studies the makeup of Earth
- 12 Studies trees and other woody plants
- 13 Another name for a language engineer
- 16 Studies the causes and effects of diseases
- 17 Studies the body's defense system
- 18 Studies the fossilised remains of all kinds of organisms
- 19 Studies rivers

Down

- 1 Studies the relationship between plants, animals and the environment
- 2 Responsible for the safe and efficient development, modification and manufacture of food products and processes
- 3 Studies the distribution and determinants of health-related states and events in specified populations
- 4 Likely to work with offenders, criminal justice agencies, social work and community education departments, and victims of crime
- 6 Likely to work in a reptile house
- 7 Studies viruses
- 8 The key to winning WWII
- 9 You're halfway there with Ichthyosaur
- 11 🎵 Our whole universe was in a hot dense state, Then nearly fourteen billion years ago expansion started 🎵
- 14 Studies the divine
- 15 Indiana Jones
