14th March 2025

Dear Parent / Carer,

Parental Update 22

An interesting week in school this week with Year 8 assessments continuing, a Year 9 HAP trip to Cambridge University, Year 9 Parents' Evening, the Mock Magistrates Competition and still to come, a weekend trip to Flame for around 30 staff and students to watch our own Br Chris Patino speaking in front of tens of 1000s of young people at Wembley.

Looking ahead to next week, it appears a little quieter, with trips to see Blood Brothers, Visit Aspire Liverpool and one going up to Carfin in Glasgow. Along with the usual practices, rehearsals and events.

With today's update there is:

- Weekly Careers newsletter
- Chaplaincy newsletter (issue 14)
- 754 Bus times

Whole School Focus – ASCL Conference

Today I am writing this ahead of the Association of School and College Conference which is in Liverpool. This is the annual conference of headteachers, CEOs, principals and senior leaders which takes place Friday and Saturday and every year manages to attract some really good and influential speakers.

This year is no exception, as the line-up includes:

- Bridget Phillipson (Secretary of State for education)
- Sir Martyn Oliver (Chief Inspector of Schools)
- Alistair Campbell (former Special Advisor to Tony Blair and political pundit)
- Prof Becky Francis (who is leading the current educational curriculum review)
- Sam freedman (former government educational advisor)
- Lewis Goodall (Political journalist)
- Google (sharing their ideas of the future of technology within education)

As I hinted at last week, education is going through a significant period of change with the way Ofsted inspects schools, how school performance will be measured and shared, and a complete review of the curriculum in England. The key people for all these areas will be part of the conference providing up to date input as to what the future might hold in education.

As well as these key speakers, there are dozens of workshops from which I have selected:

- Leading for SEND excellence in mainstream education
- AI for school and college leaders
- Internal Alternative Provision: principles and pitfalls of effective practice
- The balanced approach to dealing with classroom behaviour

Then of course there is the display market hall which contains row upon row of companies who provide various services and support for schools. In previous years this has led to me being able to bring back several new ideas and systems.

You can perform miracles by touching the hearts of those entrusted to your care.

The Friday runs 8am till 6pm and then on Saturday 8.30am through to 4.30pm. My hope is to have a much clearer idea of what the next 3-5 years in education is going to look like, to allow us to be well set as a school for when the current uncertainties subside.

RIP – Anne Brian

We were saddened to learn that one of our former colleagues, Anne Brian, passed away at the weekend. Anne was Head of Performing Arts at the school and was a much-loved teacher and colleague. We keep her and her family in our thoughts and prayers.

Bus Time Changes – 754 Morning Service

We have been notified by Merseytravel of an upcoming minor change to bus times for the 754 in the mornings. This service will operate 10 minutes earlier (arriving at De La Salle approx. 0803), effective from **Monday 24 March 2025**. This is due to the service experiencing significant reliability issues on route, which are therefore causing it to arrive severely late to Rainford High School (the 754 continues on to Rainford High School after De La Salle). Unfortunately, to ensure that the service is able to run on time to both schools, the only option was to amend the departure time and add additional run time while on route.

Nut Free School

A reminder to all parents and families that we have a number of students with very serious and severe nut allergies and to help keep our students safe, we are a nut free school. Thank you for your cooperation with this.

World Book Day Winners

As I mentioned last week, World Book Day was a great success in school. Staff and students entered into the spirit of the day including over 300 students submitting entries for the Literary Labyrinth! For this the winners were:

- Evelyn Whittaker 9H
- Charlotte Hughes 8S
- Liam Revill 9H
- Alice Balmer 7S

Meanwhile for the Form Time quiz, the winners were:

- Grace Lester 8S
- Phoebe Kelly 10J
- Arya Bradshaw 7J

Congratulations to those winners who all collected their book vouchers

Laetare CMAT Updates

The closing date for the CEO post has passed and I understand 6 candidates have been shortlisted for interviews which will take place next Tuesday and Wednesday. The Headteachers will be involved throughout day 1 of the process.

Yesterday, Andy Bridson, our temporary CEO, was in school to meet with representatives from our Parent Forum. Sadly, a clash with the Year 9 parents' evening meant some parents could not attend but a big thank you to those who were able to be there.

Year 9 Options Process

I apologise to all Year 9 students and parents that there have been significant issues with the SIMs Options Online. Sadly, the issues are not something we can control and we are in regular contact with SIMs to try to resolve it for all students. In the meantime, please do not worry about the matter – no child shall be disadvantaged in any way by the system not working.

The Powerpoint from the Options Information Evening has been sent to all Year 9 parents via ParentMail, as have the instructions for students and parents to log in (please make sure you use

the right instructions). All the relevant key information can also be accessed here:

<http://delasalle.st-helens.sch.uk/parents/year-9-gcse-information/>

Your Views

We want to ensure that parents are receiving the right information at the right time. No two parents' experience will be the same, but we want to capture your general feelings about communication. Your feedback on your current experience will help us to inform and improve this. Particularly at a time of change as we join with other schools across the Laetare CMAT.

By communication, we mean all the information and contact you receive from school across all platforms ie ParentMail, email, Edulink, text messages, phone calls etc.

To help us understand this, we are asking parents to answer these simple 10 questions and share your experiences and views. The survey will be open until **Friday 21st March**. (Thank you to the Parent Forum for their support in drafting these questions) <https://forms.office.com/e/zBAHJyS9Vg>

Ofsted consultation

Just a reminder from last week that Ofsted have put forward change to the inspection framework. These proposed changes are currently under consultation, with Ofsted seeking feedback from parents, carers, professionals, and learners to refine and improve the inspection process. I would urge parents to engage with this consultation which can be done here: [Improving the way Ofsted inspects education - GOV.UK](#)

Year 7 Admissions (repeated item)

The Year 6 into 7 school place allocations have now gone out, and I hope all those Year 6 families got the schools they wanted. This year and next couple of years sees a drop in the school population across the borough (about 10% drop). As a result, we have a small number of places still available if you know of anyone that hasn't been allocated an appropriate school, they can contact Mr Hale on halep@delasalleschool.org.uk

Sporting Updates

Another busy week of fixtures and practices this week, but commiserations to our Year 7 rugby team who didn't quite have enough to get over the line in last week's Town Cup game against Rainhill. Players of the match were: Gill and Shutt. Well done to our Yr 7 and 8 Footballers who were also in action in friendly fixtures against Cowley.

School Vacancies (repeated)

We currently have 3 posts out for advert:

- Science Teacher
- Cover supervisor
- Teaching Assistant

So, if you know someone who would be a positive addition to our school community, please direct them to this link: [Vacancies](#)

Lateness (repeated item)

A reminder that since half term, that the **registers close at 9.00am and anyone arriving after 9.00am will get an unauthorised absence**. Previously they closed at 9.30 but this change brings us in line with national guidance.

Upcoming Events

Sat 15th: Flame festival educational visit

Sat 15th: Mock Magistrates Competition

Wed 19th: Blood Brothers visit (yr 10)

Thu 20th: Aspire Liverpool EV (yr 10)

Thu 20th: Song Writing Workshop (yr 9)
Fri 21st – Sun 22nd: Faith Formation EV to Carfin Grotto Glasgow (yr 9)
Sat 22nd – Sun 23rd: DofE Bronze Expedition (yr 10)
Wed 26th: Experience of the Workplace EV (yrs 8 and 9)
Wed 26th: Local Governing Board Meeting (5pm)
Mon 31st – Fri 4th: Big Lent Walk
Mon 31st – Fri 4th: Shakespeare's Italy EV (yr 10)

APRIL

Tue 1st – Thu 3rd: Yr 8 Careers Insight Days
Thu 3rd: Peripatetic Music Concert
Fri 4th: School finishes for Easter (3pm)

And finally...You had one job

Firstly, I must just mention something that made me smile, from the early responses to the communication survey and the parent who made the comment "Stop the headmaster talking about his personal life NO ONE CARES". To that parent and anyone feeling the same – please just stop reading at the 'And finally' bit. I promise there will never be anything educationally worthwhile after that point.

One of the things that bugs me about conferences like the ASCL Conference, is that there is never anywhere to sit – so you end up standing, balancing your bag, a bowl of beef ragu, a lemon posset in your pocket and a coffee spilling down your hand. How hard can it be to have a few chairs around?

However, today, I have struck lucky and I am typing this final section at lunchtime from the Conference, but I spotted one of the exhibitor stalls was not staffed. I'm not sure what happened to the rep for NAVSH, I hope they are ok? But their loss is my gain.

So, I am currently sat down behind the stall desk, with a table, and chairs, typing and eating my lunch. The only price I have to pay for that is answering the occasional question from passing delegates about how the National Association of Virtual School Heads can support them in their role.

Have a good weekend.

Andrew Rannard
Headteacher

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

Last week, we celebrated National Career Week. In addition to this, International Women's Day also took place on Saturday 8th March 2025 and British Science Week 2025 takes place from 7th to 16th March 2025.

International Women's Day is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality.

British Science Week is a ten-day celebration of thousands of events running throughout the whole of the UK with the aim of celebrating science, engineering, technology and maths.

Here is the official list of IWD2025 events, which are running up until 20th March 2025. You can also search #IWD2025 on social media to find information on other events and campaigns from various employers and organisations.

IWD isn't just for those who identify as female! Here are 10 Things Men can do on International Women's Day. to celebrate, support and become an ally of women.

Tech We Can (formerly Tech She Can) is a programme of free learning materials that aim to inspire both boys and girls about a future career in technology. Check out this range of videos of current people working in tech.

Internationally, 1 in every 10 women in the world lives in extreme poverty. Join this online event to discuss the challenges faced by women living in poverty and explore ways to empower and support them. This event aims to raise awareness about the intersection of gender and poverty, and highlight the importance of addressing these issues in our communities.

JOB OF THE WEEK

Molecular Biologist

Molecular biologists design and conduct experiments to investigate the molecular mechanisms underlying biological processes. They use a range of techniques to isolate, analyse, and manipulate DNA, RNA, and proteins.

Watch the video to learn more about how much you could earn, working hours and pathways into the industry.

LABOUR MARKET INFORMATION FACT

Are you wondering why women are fighting for equality?

Here is one example;

In the UK, median pay for all employees was 13.1% less for women than for men in April 2024.

CAREERS NEWSLETTER

OPPORTUNITIES

The theme for British Science Week 2025 is “Change and Adapt” Changing and adapting plays a big part in science; you can find examples in every area of STEM*. Cities, towns and other areas where people live change and adapt as the world’s population grows, plants and animals change and adapt to their surroundings to survive. Technology has changed exponentially and adapted to our new, busier lives (or have we changed as technology has developed?). For example, phone technology has changed rotary home telephones to smartphones..

Take a look at [what’s on during British Science Week here](#). From online webinars to in person science fairs, there is something for everyone to learn more about STEM.

This [STEM Careers Guide from Youth Employment](#) provides more information on what a STEM career is. They have relevant articles, case studies and apprenticeship opportunities to help you learn more.

The case for increasing both the number and diversity of the engineering workforce is compelling and, with research showing the positive impact of STEM careers activity on young people’s understanding of engineering and their likelihood to consider an engineering career, [Tomorrow’s Engineers](#), led by [EngineeringUK](#), brings together resources to support young people into Engineering careers.

Neon have produced a [4-page downloadable guide](#) for students of all ages, with suggested STEM inspiration content for young people to explore. The guide includes podcasts, competitions, books, TV shows, films, days out, social media accounts, activities and apps.

Discover the Science of Sound! Join this [virtual work experience program](#) and explore the fascinating world of acoustics. Learn how sound affects our lives and the environment, and gain practical skills to pursue a career in this dynamic field.

EMPLOYER SPOTLIGHT

“We’re always looking for brilliant people to join the Civil Service. Our roles are varied and all contribute to delivering vital services to the public. Our work touches all aspects of life in the UK, from education and the environment, to transport and defence. You could make a real difference to people’s lives with a career in the Civil Service.”

Read more about [Civil Services Careers here](#).

UNI SPOTLIGHT

“We are a leading UK university committed to international excellence through the creation of world changing research and high quality, inspirational teaching. Leicester is consistently one of the most socially inclusive of the UK’s leading universities with a long-standing commitment to providing fairer and equal access to higher education.”

Read more about [University of Leicester’s Courses here](#).

Catholic Life at De La Salle

2nd Week of Lent

STUDENTS INTERVIEWING REV. KATE BOTTLEY

What a week for our Catholic Life!! We have spent so much time gathered in community this week, starting with a visit from one of the Lasallian Brothers from Sri Lanka, Br Pubudu. Tuesday saw us interviewing Rev. Kate Bottley off the telly!! and some students took part in the LNRS wildlife workshop. We've had a prayer breakfast and had the joy of Mr Hale leading us in a Prayer and Liturgy all about temptation!

Rev. Kate Bottley

We love recording our Peer-to-Ear podcast in school and have had the privilege of interviewing some amazing people over the last year. Tuesday saw us on a call with Rev. Kate Bottley, known for her work on Gogglebox, Songs of Praise, Good Morning Sunday on BBC Radio 2, every ITV game show you can think of, and the one most interesting to us, Pilgrimage; the Road to Rome.

Rev. Kate was wonderful and although we faced some initial technical difficulties, our interview was soon well underway! Our students got to speak so honestly about their different experiences of faith and give particular focus to the idea of pilgrimage, both physical and spiritual. We have lots of footage to work our way through but we do have, hot off the press, that Rev. Kate's favourite rough pie is fish pie, and when it comes to pastry filled goods, it is a chicken and mushroom pie all the way! - special thanks to Elspeth...who asks EVERY guest what their favourite pie is!

Prayer and Liturgy

Throughout Lent, we're encouraging our community to spend more time in prayer. We have been delighted to see the students join us in Chapel on a Friday morning for their own time of prayer and reflection - it has been a lovely addition to our prayer life and we think it could be a keeper after Lent too!

Elsewhere around school, Mr Hale has lead on what students have described as "the best prayer and liturgy we've ever seen". We have thought about temptations and the best places to find support when we're battling with thoughts of right and wrong!

Invitations!

We owe a huge "Thank You" to the Parent Forum who encouraged us to start this letter of communication. We feel so much more connected to the wider community as people engage with us...but we know there is more work to do!

We want to utilise our Catholic Life Team and create vehicles for intentional community time, and so, we have a number of invites for your calendar!

Wednesday 25th March - This is our Lenten Service, all of the community are welcome to join us for this time of reflection ahead of our break for Easter.

Thursday 1st May - Please join us for our Carlo Acutis Quiz Night!! This is an adult only event with a bar and great prizes to be won!

Thursday 15th May - We'd love to see you for our Founder's Day Afternoon Tea from 2pm-4pm here in our school! There is entertainment and a great raffle!

Our Next Theme

Next week we continue our Lenten journey. At this time of year we use the colour purple within our displays and materials produced for times of prayer and liturgy. When we use purple we do so to emphasize the "gloomy" and dark nature of the time within the liturgical year. We use this colour during Advent and Lent as they are seasons of penance and preparation for change in our lives. The theme of our prayer and liturgy will be; **St Joseph: The Silent Saint**. St Joseph is our Chaplain's favourite saint and so Sam will lead us in our Prayer and Liturgy!

Catholic Life team

Mission Week (June 2025)

- We're very much thinking about our plans for Mission Week this year and would love your help if you could! If anybody has any contacts or particular skills we would love to welcome you into school, as part of Mission Week this year we're looking for gardeners, singers, dancers, yoga instructors, public speakers, facepainters..we want a real community feel and you're very much invited! Please get in touch if you'd like some more information!

Sacrament of Confirmation

- The registration for Confirmations is now open for Students in Year 8+ To register visit Liverpoolcalled.co.uk and follow the details.

Prayer for Pope Francis

We continue to join our global family in prayer for the healing and comfort of Pope Francis. Whilst he seems to be making improvements, he is still very much in ill health.

We lift up to You our Holy Father, Pope Francis, as he faces illness. Grant him strength in body, peace in mind, and comfort in spirit. May Your healing hand rest upon him, restoring him to health so that he may continue to lead Your Church with wisdom and love.

Pray for us...

Loving God, Just as your son, Jesus, was tempted, we might find ourselves at the risk of temptation too. In the times when we may find it difficult to do what is right and what is just, we ask for your strength and guidance to make positive choices. Amen.

Valid from **24 March 2025**
